

Environmental Policy

Concast Precast is a leading producer and supplier of precast concrete products in Ireland and the UK. The company recognises that protection of the environment is an integral part of its business and therefore endeavours to undertake its activities in an environmentally responsible manner.

Our key objectives are:

- Compliance with all relevant legislation, regulations and operation to the Internal Standard ISO 14001.
- The continuous improvement of our environmental performance.
- Maintaining good relationships with each of our neighbours.
- Management of visual impact of our operations on the surrounding landscapes.
- Managing efficiently our resources and managing the generation and disposal of waste and ensuring the prevention of pollution of our site.
- Maximise recycling opportunities for our products and processes.

Policy Implementation is achieved by:

- Setting and reviewing environmental objectives and targets as part of a company Environmental Management System.
- Management commitment to the objectives and provision of the necessary resources.

This Policy is communicated to all Concast Precast Ltd. Employees and contractors. The company recognises that the successful implementation of its policy depends on the ongoing commitment of all those working in the organisation.

Signed:

Director
